

FURAMA HOTEL  
HONG KONG

January 1999

Dear Guest,

Welcome to the Furama Hotel and our beautiful city which at this time of the year is particularly exciting and invigorating. We hope that the following information may help you in the planning of your activities and to make your visit a memorable affair.

On 25 January famous French-Canadian singer *Celine Dion* will perform for one show only at *Kai Tak, the old International Airport*.

The tennis *Super-Power Challenge* will be held from 7 to 9 January at Victoria Park where notables like Li Fang, Steffi Graf, Venus and Serena Williams will compete.

In preparation for the up-and-coming Year of the Rabbit in February, twenty Chinese Lion Dance teams from 12 countries, including Canada, the USA, England and Belgium will participate in the *International Lion Dance Tournament* to be held on 16 and 17 January.

This year the 27<sup>th</sup> *Hong Kong Arts Festival* with 116 performances to be held in various venues around the city takes place between 15 January and 13 February.

Our *Dim Sums* have become so famous that the renowned Kempinski Hotel in Beijing has invited our Dim Sum Master Chef, Mr. So Kam Chuen to share his expertise with them during the next three weeks. Dim Sums are mostly eaten in the morning and for lunch. The true connoisseur judges the Dim Sum by the variety, choice of ingredients and the various cooking methods used, the array of dishes offered and the ingenuity of the chef in creating new and succulent combinations. Try them on Saturdays, Sundays and Public Holidays at our *Island Restaurant* on the 4<sup>th</sup> floor and I am sure that you will enjoy the various delicacies. The rest of the week our popular *Island Restaurant* offers great Cantonese cuisine for lunch and dinner.

Hong Kong can best be viewed from *La Ronda*, Hong Kong's only hotel revolving restaurant. Enjoy the magnificent views of Victoria Harbour and the unique buffet featuring great Western and Asian cuisine for lunch and dinner.

For fine wine, great European cuisine and rustic surroundings, *The Rotisserie and Wine Room* on the 2<sup>nd</sup> floor offers a more secluded environment. On Saturdays, a Brunch is served which I guarantee will start your weekend off on the right foot.

For more detailed information please contact the Concierge. To book a table in any of our restaurants please call the restaurant direct.

We sincerely hope that your stay with us will be pleasant and comfortable. If we can be of assistance in any way please do not hesitate to contact any member of staff or myself – we are at your service.

Sincerely yours,
