### Registration Agreement

To ensure your child has an enjoyable time within our club/crèche, there are certain parental responsibilities that we request your agreement with:

- That you bring your child to the club/crèche and sign them in and out of each activity, leaving details of where you will be within the hotel complex whilst the activity is going on.  
\* please note children must be collected from the club by an adult.  
Under no circumstances can children make their own way back to you.
- That your child attends the club wearing sensible shoes, a sun hat and they come dressed in suitable clothes for the climate and planned activities, with a cool drink for their refreshment. Suntan lotion should be applied prior to attending the club/crèche.
- That your childcare leader is made aware of any illness, disability, special requirements or allergies that your child may have including any medication that they may need to take.
- **Where some activities are advertised as "off site", that you agree to your child being taken off the hotel property by the childcare leaders.**
- That you consent to any medical emergency medical treatment necessary during the running of the club/crèche and authorize the child leader to sign any written consent required.
- That your child is aware of the importance of good behavior at all times when attending the club/crèche and that they respect the instructions of the child leaders.

**The Kidz Paradise® is open for children from 4 to 12 years of age. Children below the age of 4 are welcome if escorted by a parent or guardian.**
